"Moving back to Galena was a simple decision. We wanted our kids to experience a childhood filled with 'Huck Finn' wonder, the outdoors, nature, family and a caring community. We wanted a community that would essentially help raise our kids; where teachers formed bonds (with our family and kids); our neighbors were our friends and kids could play together safely. We've found that here!"  
-Kerry and Sonny Shelke

"Regresando a Galena fue una decisión sencillo. Queríamos que nuestros hijos a vivir una infancia llena de maravilla 'Huck Finn,' al aire libre, la naturaleza, la familia y de una comunidad compasiva. Queríamos una comunidad que básicamente ayudan a criar nuestros hijos; donde los profesores forman enlaces con nuestra familia y hijos; nuestro vecinos fueron nuestros amigos y los niños pueden jugar con toda seguridad. Hemos encontrado aqui."

"We like the way a small town brings back efficiency in time. A large city consumes a lot of your time the way a small town doesn't. Small towns also consume time, but in a much more enjoyable way. A five minute walk to the bank turns into twenty because you run into three people you know along the way. Those random interactions make us feel more connected with our neighbors and community."

-Byron and Julie Taylor

"Nos gusta la forma en que una ciudad pequeña trae de nuevo la eficacia en el tiempo. Una ciudad grande consume much de tiempo en la manera lo que no es ciudad pequeña."

Ciudades pequeñas consumen tiempo, per en una manera mucho mas agradable. Un paseo de cinco minutos al banco convierte un paseo de veinte minutos porque reunirse tres personas en el camino. Estas interacciones al azar con nuestro los vecinos y la comunidad."
